*Please read over the following financial/registration policy before signing this form and turning in with your check.*

- Crossroads is July 7-11, 2008. We leave on Monday morning and return Friday afternoon.
- The cost is \$270, which includes all meals, T-shirt, and camp fees. There is no additional cost for transportation this year.
- This year there is no “automatic scholarship” for first time campers. Scholarships are available to those who:
  - Within RCCC: Apply for a need-based scholarship
  - Outside of RCCC: A \$50 scholarship will apply to first-time campers who are not regular RCCC members, and invited to come to camp by a RCCC youth.
- The deposit to secure a spot is \$50, payable to RCCC. This deposit is **non-refundable**, even if a student is unable to go later on. RCCC will not refund deposits. This is due to a change in Crossroads’ policy.
- Registration ends **March 2**, or whenever spaces fill up, whichever comes first. Registrations after March 2 cannot be guaranteed to have space.
- The remaining balance (\$220) is due on **May 4, 2008**
- If a student registers and is unable to attend, they must notify RCCC in writing of their cancellation by **May 4, 2008**.
- If a student does not notify RCCC of their cancellation by May 4, the student is still financially responsible to pay the remaining balance (\$220), even if he/she can no longer attend.

*I have read the above financial policy. I am aware of the deadline dates, steps to take, and penalties if the policy is not followed.*
